External NSERC/Canadian academic	\$1,500
Canadian Government	\$3,000
International Academic/Government	\$3,000
Industry-collaborative	\$3,000
Industry-Commercial	\$5,000
Negotiated ¹	

¹ large projects, multi-year, standing offers, etc.
² 8 hrs of close analytical support; trained clients may be allowed to operate independently for up to 24 hrs; prices are exclusive of GST

Other Fees

We normally do not charge separately for mount preparation and SEM imaging under circumstances in which the client is an active participant (as requested by CCIM Staff) in the preparatory stages. For clients unable to assist in this manner, and in cases of where there are unusually demanding preparatory steps, a special services fee may apply. A special services fee also applies for clients requesting sample preparation and/or SEM access only (subject to availability).

Special services		\$50/hr
